

## Features

- Complies with IEEE 802.11b/g/n standards.
- Wi-Fi speeds of up to 300Mbps, ideal for streaming, gaming and internet calls.
- Supports PCIe slot.
- Two detachable antennas provide wider wireless coverage.
- Supports Windows 10/8.1/8/7, Linux 3.11 ~ 4.3.15.
- Low-profile bracket for slim desktop towers.
